WHY?

In addition to attending news-making Iraq Oil & Gas Reconstruction sessions, you will be able to meet with decision makers and successful companies who can help structure benefits for your own organization as you venture into the New Iraq.

- + Discuss short-term and long-term opportunities in the New Iraq with important industry and government speakers who can give you an accurate business report;
- + Learn about new multi-billion dollar opportunities in the energy sector;
- + Meet and build relationships with executives from leading oil, gas, drilling petrochemicals, tankers, transportation, distribution, construction, banking and international business development firms;
- + Find out what you need to know to successfully compete for billions of dollars still available in contracts and subcontracting to help rebuild Iraq's energy sector;
- + Participate in fora with high-level industry players and make your Organization stand out in an interactive and dynamic business environment.

MEET

Policy and Procurement Officials from within the Iraqi Oil Ministry

and Other Government companies.

IOGS2009
